Diane Ravenscroft, M. Ed.
Discover Coaching
Northfield, VT

Diane,

I want to thank you for your leadership coaching. I found it helpful to have someone with whom to discuss the strengths and weaknesses of my leadership style, and to get objective feedback and professional guidance. It was timely in that I was/am in the process of trying to assess and improve on my leadership. Your coaching strengthened my effort. I wish you continued success with your leadership consulting.

Thanks again
